Sous Chef

Dicky Beach Surf Club

Saving lives since 1950, Dicky Beach Surf Club is committed to the community and providing funds for their Surf Lifesavers and Nippers program. Offering a restaurant and function facilities, the Club is looking for a Sous Chef to assist in the kitchen helping drive innovation, quality and efficiency. Working a 9-day fortnight and answering directly to the Head Chef, your ability to assist with researching new concepts while utilising your commitment to quality, diversity and imagination, will be rewarded. Make a difference in this local community club as a hands-on leader who can provide motivation to build a group of team players while handling the pressure associated with a high-volume venue and not accepting second best in staff or food.

Your business and computer skills will be applied to implement and fulfil quality standards, and achieve revenue, labour and gross profit targets.

To secure this position, the suitable candidate will possess the following:

- Experience in fast-paced and high-volume club or pub catering operations
- Display a consistently high level of initiative, professionalism and enthusiasm
- An understanding of kitchen costings to meet budgets
- A passion for ever changing menus and specials to showcase the quality and talent of the kitchen brigade
- Excellent knowledge of food safety & working with HACCP procedures
- A commitment for implementing and managing high standards
- Possess strong leadership characteristics
- Willing to work some weekends, nights, and Public Holidays

Employer questions

Your application will need to include answers to the following questions:

- Which of the following statements best describes your right to work in Australia?
How many years' experience do you have as a sous chef?
- Which of the following culinary arts qualifications have you obtained?

If you meet the criteria of this exciting position and would love to be part of the respected Dicky Beach Surf Club, please submit your application, including a covering letter and resume to:
