

WH&S & Compliance Services

DWS Hospitality Specialists

are your trusted partner in ensuring a safe and compliant workplace for your Club.

Our WHS & Compliance Advisor, **Michelle Bates**, offers a comprehensive range of services tailored to meet your specific needs.

COMPLIANCE

Our WH&S & Compliance Services Include:

WHS Policy and Procedure:

Development, inspections, audits, staff and management training, and facilitation of WHS committees.

Fire Safety and Emergency Planning:

Fire and evacuation plans, evacuation diagrams, fire safety advisor services, warden training, and general fire safety.

Food Safety:

Food safety programs, inspections, and staff training in food hygiene.

Psychosocial Hazard Management:

Workplace reviews, staff and management training, employee surveys.

AML/CTF Compliance:

Developing and updating compliance programs, independent reviews, staff and management training, and advice on suspicious matters.

Risk Management:

Identifying and controlling hazards and risks.

Software Solutions:

Implementation and support for hospitality-specific safety platforms.

Incident Investigations:

Thorough investigations to prevent future occurrences.
